CBI4NE1

BY THE NUMBERS

Fast Facts

REDUCING RETURNS TO PRISON

The number of individuals returning to prison decreased 22% over the last three years from 445 individuals in FY2017 to 347 in FY2020.

FY2020

9.5%

Decrease in number of clients returning to prison from FY 2019

20%

Reduction in laws violations for clients who had a review hearing

64%

Of the parole clients on supervision completed their term successfully

Over the last four years,* DPS has obtained a completion rate of 65% of all clients on supervision. This rate is 11% higher than the 2018 US national average.

SAVINGS

Every day, Nebraskans save over \$85 per person while that individual remains under **parole** supervision. Overall, the cost of supporting an individual on parole for one year is about 91% cheaper than the cost for one year of **imprisonment** in Nebraska.
