(D) When monthly parole programming fees are waived, in whole or in part, the parole officer, pursuant to rules and regulations adopted by the Board, may contract with the parolee to perform approved community service at the rate of five dollars per hour in lieu of payment of monthly programming fees. Whenever a parole officer has reasonable cause to believe that a parolee has committed or is about to commit a substance abuse violation or technical violation while on parole, but that the parolee will not attempt to leave the jurisdiction and will not place lives or property in danger, the parole officer shall either:

(A) Impose one or more administrative sanctions based upon the parolee's risk level, the severity of the violation, and the parolee's response to the violation. If administrative sanctions are to be imposed, the parolee shall acknowledge in writing the nature of the violation and agree upon the administrative sanction. The parolee has the right to decline to acknowledge the violation. If he or she declines to acknowledge the violation, the parole officer shall take action pursuant to subdivision (B) of this section. A copy of the report shall be submitted to the Board of Parole; or

(B) Submit a written report to the Board of Parole, outlining the nature of the parole violation, and request the imposition of a custodial sanction of thirty days in a correctional facility or a contract facility. On the basis of the report and such further investigation as the Board may deem appropriate, the Board shall determine whether and how the parolee violated the conditions of parole and may:

1. Dismiss the charge of violation; or

2. If the Board finds a violation justifying a custodial sanction, issue a warrant if necessary and impose a custodial sanction of up to thirty days in a correctional facility or a contract facility.

§ 6-103. Procedure for custodial sanctions.

The purpose of this section is to provide the Board of Parole and the Division of Parole Supervision with a procedure to ensure prompt consideration and determination of requests to impose custodial sanctions upon parolees.

(A) When a parole officer alleges that a parolee has violated a condition of parole that subjects the parolee to potential custodial sanctions, the parole officer shall present his or her report and request for custodial sanctions to the parolee within 48 hours. The request for custodial sanctions shall include the following information: date and time to report for custodial sanction; institutional location; and duration of custodial sanction.

(B) The parolee shall either:

1. Acknowledge the violation, waive his or her right to a hearing, and consent to the custodial sanction as requested in the parole officer’s report; or

2. Deny the violation and contest the imposition of a custodial sanction. Failure to acknowledge the violation and consent to the custodial sanction within 24 hours constitutes a denial.

(C) All requests to impose a custodial sanction must be submitted to the Board within two working days following the parolee’s acknowledgement or denial of the violation and request for a custodial sanction.

(D) Upon receipt of an uncontested violation report requesting a custodial sanction, the Board, within three working days, shall take one of the following actions:

1. Approve the custodial sanction as requested and issue a commitment order with instructions as to time, date, institutional location, and duration of the custodial sanction;

2. Schedule a hearing before the full Board, to occur within fifteen working days, for the Board to: 1) determine whether the terms of the requested custodial sanction are appropriate under the circumstances; and 2) issue a commitment order with instructions as to date and time to appear, institutional location, and duration of custodial sanction that, in the board’s judgment and discretion, comports with the acknowledged violation; or

3. Deny the requested custodial sanction.

(E) Upon receipt of a contested violation report and request for a custodial sanction, a hearing before the full Board shall be immediately scheduled. Such hearing shall occur within fifteen working days following receipt of the violation report and request for a custodial sanction. If the parolee does not have counsel retained at his or her own expense, the parolee may be entitled to appointed counsel if the following conditions are met:

1. The parolee is indigent;
2. The parolee makes a timely and colorable claim that he or she has not committed the violation charged, or that there are substantial reasons that justified or mitigated the violation, which make custodial sanctions inappropriate, and

3. The reasons involved are complex or otherwise difficult to develop or present, thereby preventing the parolee from speaking effectively on his or her own behalf.

(F) Notice of the hearing before the full Board on a violation report and request for a custodial sanction shall be made by personal service upon the parolee by the supervising parole officer no less than five working days before the hearing date.

(G) The Board shall receive into evidence the parole officer’s violation report in support of a custodial sanction along with any documentary or testimonial evidence provided by the parolee. An assigned parole officer shall appear at the hearing and may provide evidence on behalf of the Division of Parole Supervision.

(H) After the hearing, if the Board determines that the parolee has violated his or her parole and that a custodial sanction should be imposed, the Board shall issue a commitment order with instructions as to time, date, institutional location, and duration of the custodial sanction.

(I) If after the hearing the Board determines that the parolee has violated his or her parole, but that a custodial sanction should not be imposed, the Board may, in its discretion order that:

1. The parolee receive a reprimand and warning;
2. Parole supervision and reporting be intensified;
3. Good time granted pursuant to 83-1,108 (parole good time) be forfeited or withheld; or
4. The parolee be required to conform to one or more additional conditions of parole which may be imposed in accordance with the Nebraska Treatment and Corrections Act.

(J) If after the hearing the Board determines that the parolee has not violated his or her parole, the request to impose a custodial sanction shall be denied.

(K) Parolees under supervision in Nebraska, but on parole from other states, are also subject to the application of custodial sanctions while being supervised in Nebraska pursuant to the Interstate Compact for Adult Offender Supervision which requires that parolees transferred between states be supervised as would parolees in the state in which they are supervised.

(B) If the Board determines that the default in payment described in subsection (A) above was not attributable to a deliberate refusal to obey the order of the board or to failure on the parolee’s part to make a good faith effort to obtain the funds required for payment, the board may allow the parolee additional time for payment, reduce the amount of each installment, or revoke the fees or the unpaid portion in whole or in part.
